

JOLLY WORK

(WORLD PATENT)

THE LATEST INCREDIBLY INNOVATIVE IDEA

**TWO SYSTEMS IN ONLY ONE:
WRAPPER & LIFTER TOGETHER**

**TO SAVE TIME, MONEY, EFFORTS
AND SAFEGUARD THE HEALTH**

Thanks to the "TRANSFORMER"® device, JOLLY WORK, the lifter and assistant for the stacking of the pallet, can be **immediately** converted into a **stretch-film wrapper**, without parts to be mounted or removed.
